Healthier SG Chronic Tier Subsidy Framework

Under the subsidy framework, Healthier SG enrollees who are CHAS, Pioneer Generation (PG) and Merdeka Generation (MG) cardholders can obtain common chronic medications at their enrolled Healthier SG GP clinics, at prices comparable to those at polyclinics.

The Healthier SG Chronic Tier will benefit CHAS/PG/MG cardholders who have higher medication needs and whose bills may exceed the current CHAS annual subsidy limits. Consult your enrolled GP on your suitability to use the Healthier SG Chronic Tier based on your medication needs.

For all Singaporeans, regardless of age and income, CHAS is your partner for accessible healthcare.

Receive subsidies for medical and dental care at participating GP and dental clinics islandwide.
